### **Directions to the Stark Gallery**

The Stark Galleries are part of the Memorial Student Center complex, and there is a massive parking garage across the street from it. The garage is \$2.00 an hour. There are a nearly infinite number of ways to get there. However, there is a nexus, and that is University Drive.

If coming from the East (Dallas, Houston, etc.), go west on University Drive. The hotels are on University Drive, which can be reached from Highway 6.

- You will pass Texas Avenue, then McDonald's and then there will be a light with a Shell Station.
- Go past two more traffic lights and then after that you will see an exit that is like a Y to the right. Take it and turn left at the light onto Wellborn Road.
- If you go under the overpass, you went too far and you then just turn around.
- After you are on Wellborn, make a left at the 2<sup>nd</sup> traffic light (you have gone too far if you make it to Bush Avenue).
- At the 2<sup>nd</sup> stop sign, turn right than an immediate left into the parking garage. The MSC is across the street.

If coming from the West (Austin, the College Station Airport), get on University Drive, which is also sometimes called Raymond Stotzer Parkway.

- Just after going under the overpass, turn right, go to the light, and turn left onto Wellborn Road.
- You have gone too far if you see a Shell Station on the left eventually.
- After you are on Wellborn, make a left at the 2<sup>nd</sup> traffic light (you have gone too far if you make it to Bush Avenue).
- At the 2<sup>nd</sup> stop sign, turn right than an immediate left into the parking garage. The MSC is across the street.

If you get on Wellborn the wrong way, you will not see the campus.
