

AP Summer Institutes Statistics

FOR NEW & EXPERIENCED TEACHERS

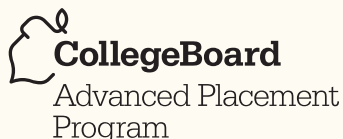

Choose the way
you learn best!

1. LIVE CAMPUS AND ONLINE PRESENTATIONS

Live AP* Summer Workshop. Instructors teach live on the Texas A&M University campus in College Station, TX. **Participants may attend campus in person or participate live online.** We have the nation's only College Board Endorsed online AP Summer Institute.

This AP Summer Institute has been endorsed by

July 11-14, 2011 - Josh Tabor

2. ONLINE AT-YOUR-OWN-PACE PRESENTATION

Recorded presentations of the live AP Summer Institute. Participants receive materials and work at their own pace to complete coursework online. This option is available to begin at any time.

NOTE: The College Board does not currently endorse any at-your-own-pace workshops.

August 2011 - July 2012 - Josh Tabor

MEET OUR INSTRUCTOR

Josh Tabor

AP Statistics Teacher, Certified AP Statistics Consultant

Josh has been teaching AP Statistics since 1996-1997, the first year the AP Statistics exam was offered. He currently teaches at Canyon del Oro High School in Oro Valley, AZ and was a top-5 finalist for Arizona Teacher of the Year in 2011.

Josh has been an AP Grader since 1999, a table leader (2001-2006) and a question leader (2007-2010). He also served on the AP Statistics Test Development Committee from 2005-2009.

Josh is also the author of two books published by W.H. Freeman: *Statistical Reasoning in Sports* (January 2012) and The Annotated Teacher's Edition for the 4th edition of *The Practice of Statistics*, by Yates, Moore and Starnes (January 2010).

OUR WORKSHOP FEATURES:

- Overview of AP Statistics curriculum, focusing on the most recent AP exam
- Instructional strategies and classroom activities
- Tips on using technology in the classroom
- Presentations by Texas A&M Statistics faculty
- Recordings & workshop materials available online to all participants throughout the year
