Below the form, there is a **Usage policy** section with the following text:

Usage policy: This computer program and data herein are available only for authorized purposes by TAMU authorized users. Use for any other purpose may result in administrative/disciplinary actions or criminal prosecution against the user. Usage may be subject to security testing and monitoring. Applicable privacy laws establish the expectations of privacy. Please see <http://www.stat.tamu.edu/policy> for more information.

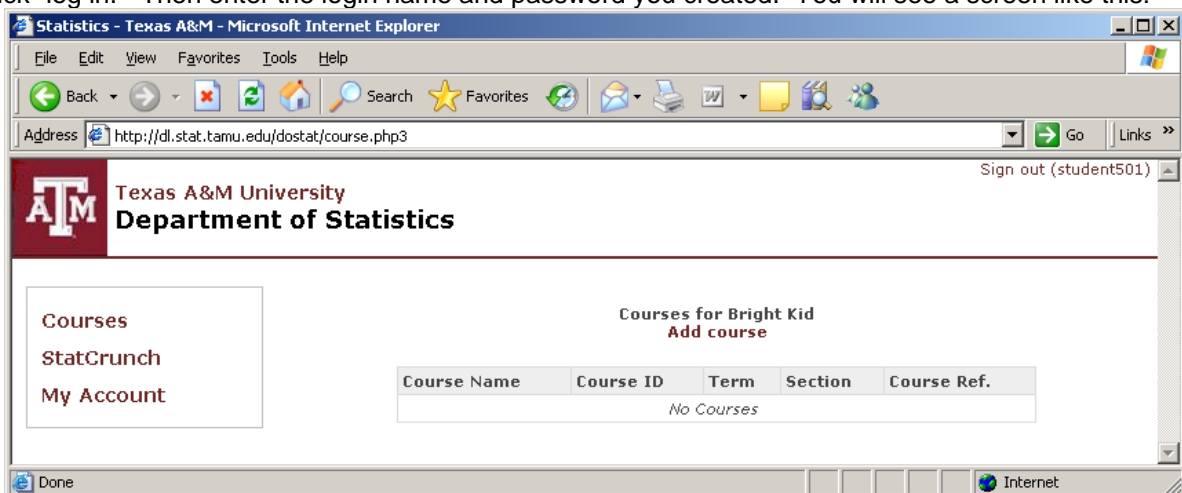

By clicking Submit below, you agree to the usage policy above.

The browser's status bar at the bottom shows "Internet".

This screen will pop up:

Click "log in." Then enter the login name and password you created. You will see a screen like this:

Click on "Add course" at the top. You will be asked for a course reference number and a registration code. These are in your syllabus.
